

HCP Virtual Advocacy Day

Tuesday, May 4, 2021

Be the voice of home care!

HCP will be holding its members only Advocacy Day on Tuesday, May 4. This will allow HCP members to share with their state representatives HCP's priorities, amplifying the work of HCP's Public Policy team.

The event will be virtual. It will include a morning briefing session by HCP's Public Policy team. The briefing will be followed by a full day of meetings with legislators from across the state.

You must register for this event with the same email that you will use to sign in to the Zoom meeting the day of the event. You do not need a Zoom account to participate.

Join us May 4, 9:00 am to 3:00 pm to make your voices heard.

Advocacy Day is exclusively for HCP members in good standing and is **FREE** to attend, registration is required. [Click here to register online.](#)
